

Single Outcome Agreement Outcomes

Intermediate Outcomes for ODP 2011-2014

SOA 5: Our local people are healthier, more active and inequalities in health are reduced.

- East Renfrewshire residents benefit from better levels of health and well being.
- Our residents are more physically active.
- Residents recognise the harm caused by excessive consumption of alcohol and smoking to their own health and that of our communities, and reduce their usage.

SOA 6: Our most vulnerable residents enjoy a better quality of life and live as independently as possible.

- East Renfrewshire's residents are supported in their rehabilitation and recovery in order to live independently.
- Individuals are enabled to find solutions personalised to their support needs and aspirations.
- Carers' contributions are recognised and they are supported to continue in their caring role.
- Residents are supported in tackling financial, homelessness and fuel poverty issues.

SOA 7: Our residents are safer in their neighbourhoods and their homes.

- Our residents are safe from neglect, abuse, violence and sexual exploitation.
- Our vulnerable residents are safe in their own homes.

SOA 11: Our communities are more active and have influence over service design and delivery.

- Our residents and communities have the skills, confidence, knowledge and opportunity to influence service design and delivery
- All residents, including those from vulnerable, disadvantaged and minority groups are encouraged and supported to be more active in the community.
